**UNCF ANNOUNCES THE RELEASE OF THE
2024 HBCU ECONOMIC IMPACT REPORT**

Voorhees University generates \$17 million in total economic impact for its local and regional economies. This estimate includes direct spending by Voorhees University on faculty, employees, academic programs and operations—and by students attending the institution, as well as the follow-on effects of that spending.

Voorhees University generates 287 jobs for its local and regional economies. Of this total, 196 are on-campus jobs, and 91 are off-campus jobs.

The background of the image is a deep blue space scene. In the upper right, a large, dark, cratered moon is visible. Below it, the curved horizon of the Earth is shown, with a bright blue atmosphere and white clouds. The overall lighting is dramatic, with a bright light source on the left creating a lens flare effect.
